Dear Supervisors:

**RECOMMENDATION TO APPROVE EXTENSION OF 2006 CONTRACT TERM FOR
THE COMMUNITY SERVICES BLOCK GRANT PROGRAM CONTRACTS
(ALL DISTRICTS) (3 VOTES)**

IT IS RECOMMENDED THAT YOUR BOARD:

Delegate authority to the Director of the Department of Public Social Services (DPSS) to execute amendments to the current Community Services Block Grant (CSBG) Program contracts, in substantially similar form as the attached amendment (Attachment A). The amendments will extend the contracts on a month-to-month basis until new contracts are executed, not to exceed December 31, 2007. The estimated costs for these amendments is \$4,561,582, fully funded by Federal appropriations through the State Department of Community Services and Development's (CSD) Program Year (PY) 2006 and 2007 funding allocations. There is no Net County Cost impact.

PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION

On December 6, 2005, your Board accepted and approved State CSBG grant funds to establish the County's CSBG Program under a two year contract with the State, which expires on December 31, 2007.

The PY 2006 CSBG funding allocation and the current 97 CSBG service provider contracts with DPSS, expire on December 31, 2006. A Request for Proposal (RFP) was released on August 31, 2006 for the selection and execution of new contracts for the 2007 PY. However, it was in the best interest of the County to cancel the RFP to clarify RFP requirements and define the sub-district boundaries in the First District. A new RFP will be re-released in December 2006. Therefore, new contracts will not be executed by January 1, 2007.

The current contracts will be extended month-to-month pending completion of the new solicitation, effective January 1, 2007 through December 31, 2007. At this time the contractors so referenced in Attachment C who no longer provide CSBG services will not have their contracts extended. The recommended action will avoid any interruption in services to the low-income residents who are at or below the federally-established poverty level in Los Angeles County with access to a broad array of services in employment, education, health, housing, nutrition, linkages and emergency services.

On November 16, 2006, the Los Angeles County Community Action Board (CAB) who has broad advisory powers and responsibilities in the planning and development of all CSBG programs, and makes funding recommendations which assist the low-income people residing in the First, Second, Third, Fourth, and Fifth Supervisorial Districts, approved our recommendation to the Board as well as our funding methodology.

Implementation of Strategic Plan Goals

The recommended actions are consistent with the principles of the Countywide Strategic Plan, Goal 5: Children and Families' Well-Being as measured by achievements in the five outcome areas adopted by your Board: good health; economic well-being; safety and survival; social and emotional well-being; and educational/workforce readiness.

FISCAL IMPACT/FINANCING

On November 6, 2006, DPSS received State approval to roll-over all PY 2006 unspent funds. These funds will be utilized to extend the current contracts on a month-to-month basis. The total projected unspent funds for PY 2006 is \$466,627. Each Supervisorial District's projected unspent funds for PY 2006 are identified in Attachment B and each contractor's estimated allocation is included in Attachment C.

On November 16, 2006, Los Angeles County CAB approved our recommendation to roll-over all PY 2006 unspent funds. Our recommendation is as follows:

- Effective January 1, 2007, all of the current CSBG contractors who do not spend all of the PY 2006 funding allocation will roll-over their unspent funds until all funds are exhausted. Once PY 2006 funds are exhausted, PY 2007 CSBG Program State funds will be utilized. We estimate that there will be approximately \$466,627 unspent PY 2006 funds rolled-over.

- Effective January 1, 2007, all of the current CSBG contractors who have expended all of their PY 2006 funding allocation by the end of December 31, 2006, and whose contracts will be extended on a month-to-month basis, will receive additional monthly funds from the PY 2007 CSBG Program State funding allocation not to exceed one-twelfth of their current PY 2006 funding allocation. We estimate that they will utilize approximately \$4,094,955 PY 2007 funds for these extensions. The State funding level for PY 2007 is anticipated to remain at the same level of \$6.45 million.

The estimated costs for these amendments are fully funded by Federal appropriations through the State Department of Community Services and Development's (CSD) PY 2006 unspent funds and PY 2007 funds. There is no Net County Cost impact. Funding for the program cost in the current fiscal year is included in the Department's FY 2006-07 Final Adopted Budget. Funding for the future fiscal year will be included in the Department's budget request for that year.

FACTS AND PROVISIONS/LEGAL REQUIREMENTS

As the contracts require the development of a broad array of services in employment, education, health, housing, nutrition, linkages and emergency services to low-income residents who are at or below the federally-established poverty level in Los Angeles County which are not performed by County staff, these contracts are non-Prop A contracts. The amendments will be executed only after approval by the Chief Administrative Office and County Counsel.

IMPACT ON CURRENT SERVICES (OR PROJECTS)

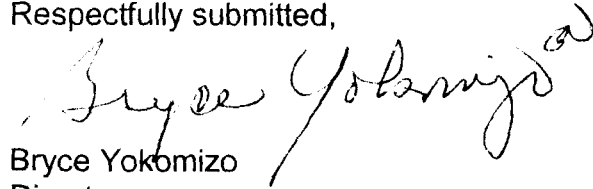

Approval of the recommended actions will enable DPSS to continue providing CSBG services to low-income residents in all Supervisorial Districts of the Los Angeles County through its CSBG network of 97 non-profit contractors. These recommendations will preclude any interruption of current services.

The cities of Los Angeles, Long Beach and Foothill area (Pasadena, South Pasadena, Duarte, Monrovia, Sierra Madre, Arcadia, and portions of Altadena) receive CSBG funds directly. Residents in these areas will not be served under the County's CSBG Program but rather by their own community action agencies.

CONCLUSION

The Executive Officer, Board of Supervisors, is requested to return one adopted stamped Board letter to the Director of DPSS.

Respectfully submitted,

A handwritten signature in cursive script, reading "Bryce Yokomizo", with a small circled "a" at the end of the signature.
